

Cable Management

CABLE CLIP FOR 7MM CABLE, BLACK PE & STEEL NAIL, 100 UNITS

#NCS-07B

FOTUX Cable clip mainly used for indoor wiring along the wall. Unlike the cable tie needs to use a tie mount to bundle cable on the wall, cable clip can achieve it alone. According to the way of use, they include some that you can hammer into the wall with one nail or stick down with a self-adhesive.

FEATURES

- Made from PE, which offers excellent elasticity and shock resistance, preventing the clip from cracking
- Nail is pre-loaded into the clip
- The round-shaped profile is specifically engineered to fit Round Cables.
